Subject: Notice of Cut-Off Date for Funafuti Water Supply and Sanitation Project

Dear Sir/Madam,

This letter serves to officially inform the public and affected persons in Funafuti that a cut-off date has been established for the Funafuti Water Supply and Sanitation Project.

The cut-off date is set as July 1st, 2026.

This means that any individuals, households, or assets (including structures, crops, trees, or other improvements) located within the project area after this date will not be eligible for compensation, assistance, or any form of resettlement support under the project.

Project area located at the following site in Funafuti;

- Near dumpsite at Lofeagai
- Near Waste warehouse
- Walking pathway alongside public roads

The purpose of this measure is to:

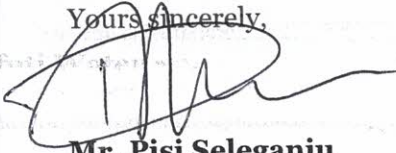

- Ensure fairness and transparency in the identification of affected persons;
- Prevent ineligible claims; and
- Avoid potential disputes during project implementation.

All affected persons who were identified and recorded on or before the cut-off date will continue to be eligible for compensation and assistance in accordance with applicable project policies and procedures.

We kindly request the cooperation of all community members in respecting this cut-off date. Should you have any questions or require further clarification, please contact [**Mr. Feagaiga Penivao**] at contact details: penivaofeagaiga@gmail.com or facebook: Feagaiga Penivao.

Thank you for your understanding and cooperation.

Yours sincerely,

Mr. Pisi Seleganiu
Director of Public Works Department
Ministry of Public Works, Infrastructure Development and Water
